

English 11 2010-2011

Class Rules

1. Be ready to work when the bell rings.
2. Be respectful – to both your classmates and your teacher.
3. Be diligent – do what you have been told to do to the best of your ability.
4. Be on time.
5. Be prepared – bring all necessary materials to class (paper, pen, pencil, book, etc.).

Grading Procedures

All work is graded on a point system. Class work/homework will account for 40% of your final grade and tests will account for 60% of your final grade. Large assignments such as essays, etc., will be classified as tests.

Make-up Work & Due Dates

All materials are due upon entering the classroom on the pre-assigned date. Effort or participation work can not be made up. You must see me in order to turn in anything after the work is taken up. If you are absent it is your responsibility to pick up assignments. You will have 3 days to make up work (unless it was previously assigned). All tests will be made up after school by appointment only.

Novels

You should have already purchased and read the required novel, *Cold Sassy Tree*. In addition we will be reading other novels which will be announced later in the year. If you do not wish to or can't purchase these novels, you should make every effort to check them out from a local library. Please see me if you have a problem acquiring a book.

Class Supplies

You will need a three-ring binder, 3 ring folder, paper, and pen or pencil. It is also a good idea to purchase a flash drive on which to store projects, papers, etc. I will be checking periodically throughout the year for supplies – it is very important that you have the tools necessary to keep an organized notebook.

Class Procedures

**** You must label ALL work with date and assignment.**

Class Donations

Donations of classroom supplies are much appreciated. Some things we will need are: Expo markers, Kleenex, Germ-X, red pens, and paper towels.
